Independent Auditor's Report

RSM US LLP

Board of Trustees
Roy J. Carver Charitable Trust

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the financial statements of Roy J. Carver Charitable Trust (the Trust), which comprise the statements of financial position as of April 30, 2022 and 2021; the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, except for the omission of the information described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Trust as of April 30, 2022 and 2021, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Qualified Opinion

The Trust's financial statements do not disclose the level hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic No. 820, Fair Value Measurements, (ASC 820) for any investments not classified as Level 1 and certain additional information required to be disclosed for investments classified as Level 3. In our opinion, disclosure of this information is required by accounting principles generally accepted in the United States of America.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplementary information is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, except for the effect on the accompanying information of the qualified opinion on the financial statements described above, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Notes to Financial Statements

Note 1. Organization and Significant Accounting Policies

Organization: The Roy J. Carver Charitable Trust (the Trust) was created on June 16, 1981 under the provisions of the Last Will and Testament of Roy J. Carver (Will). The Trust is a nonprofit entity whose purpose is to enhance charitable, educational and scientific programs. This purpose is accomplished through the aid of grants which are distributed to various academic and charitable institutions. The Trust is required by the Will to distribute all cash basis income at least semiannually; therefore, internal accounting records are maintained on a cash basis and these financial statements are adjusted to the accrual basis in accordance with accounting principles generally accepted in the United States of America.

Significant accounting policies:

Accounting estimates: The preparation of financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of accounting: The records of the Trust are kept on the basis of cash receipts and disbursements. The accompanying financial statements have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, long-lived assets and accrued items, including grants payable, as approved by the Trustees.

Cash and cash equivalents: The Trust considers all cash accounts and money market funds with an original maturity of three months or less to be cash and cash equivalents. Money market funds are carried at cost. The Trust has deposits exceeding the federal depository insurance limits. Management believes the credit risk related to these assets is minimal.

Investments: Investments are valued using quoted market prices obtained from national securities exchanges and third-party pricing services where available. For limited partnerships where quoted market value of investments may not be available, fair values are based on information provided by the general partners, which includes quoted fair values when available and estimates of fair value of investments that are not readily ascertainable. There have been no changes in valuation techniques used for any investments during the year ended April 30, 2022.

Investment transactions are accounted for on the date the securities are purchased or sold. Realized and unrealized gains and losses on investment transactions including management and custodial fees, determined by the specific-identification method, are included in net gains on investments. Interest and dividends are recognized as revenue when earned.

Property and equipment: Property and equipment is carried at cost. Depreciation is computed by accelerated and straight-line methods over the assets estimated useful lives.

Grant obligations payable: Grants payable are discounted using a risk free rate of return as of the date of the grant approval.

Net assets: All of the Trust's investments are considered an endowment fund. The Trust's investment funds are considered without donor restrictions as they are fully expendable by the Board of Trustees subject to various tax and legal limitations.

Roy J. Carver Charitable Trust

Notes to Financial Statements

Note 1. Organization and Significant Accounting Policies (Continued)

Federal income and excise taxes: The Trust is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. The Trust has been determined to be a private foundation under Section 509(a), Chapter 42 of the Internal Revenue Code and is subject to federal excise taxes. Deferred taxes are provided on a liability method whereby deferred tax liabilities are recognized for taxable temporary differences. Temporary differences are the differences between the reported amounts of assets and liabilities and their tax bases. The Trust's temporary differences relate primarily to the difference between the cost and fair value of the investments. Deferred tax liabilities are adjusted for the effects of changes in tax laws and rates on the date of enactment.

The Trust files a Form 990-PF (Return of Private Foundation) annually. An excise tax of 1.39% is imposed on the net investment income of all domestic tax-exempt private foundations for each tax year, and is reported on Form 990-PF. Unrelated Business Income Tax is reported on Form 990-T, as appropriate. As of April 30, 2022 and 2021, there were no uncertain tax benefits identified and recorded as a liability.

Subsequent events: The Trust has evaluated subsequent events through July 22, 2022, the date the financial statements were available to be issued.

Note 2. Investments and Investment Gains (Losses)

The Trust's investments are held by a bank-administered trust fund. As of April 30, 2022 and 2021, the Trust's investments consist of the following:

	2022		2021

Notes to Financial Statements

Note 2. Investments and Investment Gains (Losses) (Continued)

Alternative investments are investments not listed on national exchanges or over-the-counter markets, or for which quoted market prices are not available from sources such as financial publications. Alternative investments may be structured as limited partnerships, limited liability corporations, trusts or corporations. The Trust's alternative investments are the partnerships and the international equity mutual funds above. As of April 30, 2022, the Trust had commitments for these investments of approximately \$2,250,000 for which capital calls had not been exercised. Such commitments generally have fixed expiration dates or other termination clauses.

Net gains (losses) on investments for the years ended April 30, 2022 and 2021 consist of:

	2022	2021
Net realized gains, net of investment fees	\$ 14,956,796	\$ 11,331,015
Net (decrease) increase in unrealized gains	<u>(51,701,641)</u>	<u>124,479,329</u>
	<u><u>\$ (36,744,845)</u></u>	<u><u>\$ 135,810,344</u></u>

The investments of the Trust are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with such investments and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment balances and the amounts reported in the financial statements.

Note 3. Federal Excise Tax

In accordance with the applicable provisions of Section 4940, the Trust is subject to a federal excise tax of 1.39% on net investment income, including realized gains on investment transactions, as defined under this provision for the years ended April 30, 2022 and 2021. The provision for federal excise taxes for the years ended April 30, 2022 and 2021 consists of:

	2022	2021
Current	\$ 380,500	\$ 291,000
Deferred	<u>(719,000)</u>	<u>1,731,000</u>
	<u><u>\$ (338,500)</u></u>	<u><u>\$ 2,022,000</u></u>

In addition, the Trust operates as a private nonoperating foundation. One of the requirements to maintain private nonoperating foundation status is to make grants equaling approximately 5% of the average value of the noncharitable assets each year. As of April 30, 2022, the Trust had an excess distribution carryover of approximately \$3,100,000, which is available to offset amounts to be distributed during the year ending April 30, 2023. If the Trust were to have undistributed income, any portion of the amount not distributed by the end of the following fiscal year would be subject to a 30% penalty tax.

Roy J. Carver Charitable Trust

Notes to Financial Statements

Note 4. Financial Assets Available and Liquidity

The Trust regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. Grants awarded, the largest expense, is approved by the Trustees and the Trust is required by the Will to distribute all cash basis income at least semi-annually. The Trust's main source of liquidity at its disposal is its substantial investment portfolio as described in Note 2. The Trust invests with the goal of achieving long-term returns.

The Trust holds investments valued at net asset value (NAV) as described in Note 7. While they are not restricted funds, they are invested for long-term appreciation and, therefore, not included in cash available for general expenditures in the next year.

For the purpose of analyzing resources available to meet general expenditures over a 12-month period, the Trust considers all expenditures related to its ongoing mission-related activities as well as the conduct of services undertaken to support those activities to be general expenditures.

Refer to the statements of cash flows which identifies the sources and uses of the Trust's cash.

Note 5. Summary of Functional Expenses

The Trust enhances charitable, educational and scientific programs by making grants that are distributed to various academic and charitable institutions. Grants approved are direct program expenses while the excise tax expense is an administrative expense related to investment income. Substantially all other expenses are related to the management of the grant programs or administration of the Trust.

Notes to Financial Statements

Note 7. Fair Value Measurements

The Financial Accounting Standards Board Accounting Standards Codification Topic No. 820, Fair Value Measurements, defines fair value, establishes a framework for measuring fair value and requires disclosure of fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect a reporting entity's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

When quoted prices in active markets for identical assets are available, the Trust uses these quoted market prices to determine the fair value of financial assets and classify these as Level 1.

Level 1 securities totaled \$185,818,987 and \$210,477,693 as of April 30, 2022 and 2021, respectively. There were no transfers in or out of Level 1 during the year ended April 30, 2022.

The following table sets forth the breakdown of the fair value of Level 1 securities as of April 30, 2022 and 2021:

	2022	2021

Consumer discretionary	\$ 12,507,406	\$ 18,073,704

Note 7. Fair Value Measurements (Continued)

Investments in the portfolio totaling \$54,824,109 and \$56,272,829 as of April 30, 2022 and 2021, respectively, where quoted market prices are not available, where fair values are estimated using pricing models, quoted prices of securities with similar characteristics or discounted cash flow, or where there is limited activity or less transparency around inputs to the valuation, would be classified within Level 2 or Level 3 of the valuation hierarchy. The Trust declines to disclose information for these investments not classified within Level 1.

The following table sets forth additional disclosure of the Trust's investments whose fair value is estimated using NAV per share (or its equivalent) as of April 30, 2022 and 2021:

Investment	April 30, 2022		April 30, 2021		Redemption Frequency	Redemption Notice Period
	Fair Value	Unfunded Commitment	Fair Value			
Investments:						
International equity fund (A)	\$ 36,619,979	\$ -	\$ 41,799,384	Daily	30 days	
Private equity limited partnerships (B)	24,228,910	2,251,744	26,427,778	None	N/A—see (B)	
Venture capital and emerging markets limited partnership (C)	48,894,541	-	65,400,170	Monthly	30 days	
	\$ 109,743,430	\$ 2,251,744	\$ 133,627,332			

- (A) The fund invests in international equities that are all exchange traded in other countries outside of the United States of America (USA). This fund can be redeemed immediately at the current NAV per share based on the fair value of the underlying assets. The fair value of this investment has been estimated using the NAV per share of the investment provided by the fund manager.
- (B) The partnerships in this category consist of both funds that invest in the following types of investments in the USA and also outside of the USA: venture capital partnerships, buyout partnerships, mezzanine/subordinated debt partnerships, restructuring/distressed debt partnerships and special situation partnerships. These investments cannot be redeemed during the life of the partnership which can be up to 12 years, however; they can be transferred to another eligible investor. Distributions will be received as the underlying investments of the funds are liquidated over time. The fair value of this investment has been estimated using the NAV per share of the investment provided by the fund manager. Management and the Trust's Investment Committee of the Board of Trustees has reviewed financial information of these partnerships and believes that the NAV reported is a reasonable estimate of the fair value of these investments. However, since there is not an active market for these investments, if the Trust required immediate sale of these investments, opportunities for transfers could require a discount which could range between 0% and 20%. The Trust does not have plans for sale of these investments at this time.
- (C) The partnership in this category consists of closed-end funds and investment trusts that invest in equity securities of companies in one or more emerging market countries. From time to time, as a result with certain closed-end funds having distributed portions of their portfolio investments, the partnership may hold direct investments in individual companies primarily operating in emerging market countries. This partnership can be redeemed monthly if the withdrawal request is no later than the first business day of the month containing the desired withdrawal date. The fair value of the partnership has been estimated by using the NAV per share of the investment provided by the fund manager.

Notes to Financial Statements

Note 8. Investment Funds

Interpretation of relevant law: The Board of Trustees has interpreted that the Trust is not subject to the State of Iowa's Uniform Prudent Management of Institutional Funds Act since the Trust's by-laws provide for the full ability of the Board of Trustees to spend investment funds subject to tax and legal limitations. The Trust has no net assets with restrictions.

Investment policy: The Trust invests based on the goals to preserve capital, strive for consistent, positive returns and preserve the purchasing power by striving for long-term returns in excess of the inflation rate. The Trust utilizes a long-term investment horizon with a high standard of quality. The Trust's strategy includes an asset mix of 12%–28% in domestic fixed income, 24%–56% in domestic equity, 18%–42% in international equity and 6%–14% in other type investments with further breakdowns within those broad categories.

Policy for appropriation of assets for expenditure: The Trust's spending policy is based on the Last Will and Testament that established the Trust which requires distribution of all cash basis income and is also based on necessary expenditures required by federal excise tax laws governing private foundations. The Board of Trustees also approves expenditures for administration of the Trust.
